## BARRIER FREE ENVIRONMENT

**Subject: Ensuring a Barrier-Free Environment in the Campus**

\*\*\*

In accordance with the guidelines provided by the **Government of India** and the **Rights of Persons with Disabilities Act, 2016**, it is mandatory for educational institutions to ensure a barrier-free environment that promotes inclusivity and accessibility for all, including persons with disabilities (PwD).

The management of Alwar School of Business and Computers is committed to creating an inclusive campus by implementing necessary infrastructure and facilities to ensure equal access to education and resources.

**Key Features of the Barrier-Free Environment:**

1. **Physical Accessibility:**
   o Construction of ramps with handrails at all building entrances.
   o Provision of elevators in multi-storied buildings.
   o Accessible washrooms equipped with support bars and proper signage.
   o Reserved parking spaces near the main entrances for vehicles of persons with disabilities.
2. **Digital Accessibility:**
   o Development of an accessible website for the institution, compliant with WCAG (Web Content Accessibility Guidelines).
   o Digital learning materials in accessible formats, including screen reader-compatible documents.
3. **Communication and Signage:**
   o Installation of braille signage and tactile maps in key locations.
   o Visual and audio cues in public announcement systems.
4. **Inclusive Facilities:**
   o Special seating arrangements in classrooms, laboratories, libraries, and auditoriums.
   o Provision of assistive devices such as wheelchairs and hearing aids as needed.
5. **Policy and Awareness:**
   o Conducting awareness programs for staff and students to foster an inclusive culture.
   o A grievance redressal mechanism to address accessibility-related issues.

**Action Plan and Responsibilities:**

- **Infrastructure Department:**
  Ensure that all new constructions and renovations comply with universal accessibility standards.
- **Department Heads:**
  Collaborate with the administration to identify and address accessibility gaps in your respective areas.
- **Media and IT Team:**
  Ensure digital resources and learning platforms are accessible to all users.
- **Faculty Members:**
  Provide inclusive teaching strategies and accommodations for PwD students in your classes.
